

# A Single Source for Support

## Your guide to Daiichi Sankyo Access Central

At Daiichi Sankyo, Inc., those in need of treatment are always our top priority. We are committed to helping you get your medications by providing a wide array of patient support options. This brochure describes how Access Central may be able to help and how to connect with us.

## Patient support online and by phone

While other people may be on the same medication as you, your treatment journey is personal and uniquely your own. And that's why Daiichi Sankyo Access Central was created: to bring your needs into focus. Our goal is to help you gain access to the medication, support, and information you need to start and continue your treatment journey.

## Help for getting your medication

Sometimes, additional steps are required by your insurance company to help you get the medicine that your doctor prescribed. Access Central may be able to help with these steps.

### Frequently asked questions about health insurance coverage

**My health insurance requires approvals before I can get my medicine. Can Access Central help?**

We have resources to help your doctor with the approval steps that can be required after your doctor prescribes a Daiichi Sankyo medication.

**Will Access Central work directly with my doctor, or is there something I need to do?**

We are happy to work with your doctor. Simply visit [DSIAccessCentral.com](https://DSIAccessCentral.com) or call an Access Central Coordinator at 1-866-437-4669, Monday-Friday, 8:00 AM-7:00 PM ET.

## Help with paying for your medication

If you cannot afford your Daiichi Sankyo medication, Access Central may be able to help, whether or not you have insurance. Be aware that financial assistance options vary depending on the Daiichi Sankyo medication your doctor has prescribed.

Our medications also have copay assistance programs that help eligible patients with out-of-pocket costs for their prescriptions, regardless of your income.

### Frequently asked questions about affording your medication

#### Does my income level qualify for a copay program?

There are no income limits to the copay programs. To see if you qualify visit [DSIAccessCentral.com](https://www.DSIAccessCentral.com).

You are not eligible if prescriptions are paid by any state or other federally funded programs, including, but not limited to, Medicare Part B, Medicare Part D, Medicaid, Medigap, VA, or TRICARE, or where prohibited by law.

To learn more about the copay programs visit [DSIAccessCentral.com](https://www.DSIAccessCentral.com).

#### What if I cannot afford my medication?

Depending on which medication you are prescribed, you may be eligible for Patient Assistance Programs. Patient Assistance Programs can provide your medication at no cost if you qualify. Eligibility rules apply. Please visit our website, [DSIAccessCentral.com](https://www.DSIAccessCentral.com), or call an Access Central Coordinator at 1-866-437-4669, Monday-Friday, 8:00 AM-7:00 PM ET for more information about eligibility.

## Help with understanding your medication

You can access Daiichi Sankyo product pages from the Access Central website. On the product pages you will find information about how your condition is treated with the medication your doctor prescribed.
